

Torsten Hemme – Founder and CEO of the IFCN Dairy Research Network

Dr. Torsten Hemme is the founder and CEO of the IFCN Dairy Research Network. He studied agricultural economics at the University of Göttingen in Germany and at Texas A&M University in USA. His doctoral thesis set the basis for the IFCN, whose mission is to create a better understanding of the dairy world by providing comparable data, knowledge and inspiration.

In 2023, researchers from more than 100 countries participate in IFCN. Moreover, more than 140 agribusiness companies are members of the network and use its data and knowledge base for their strategic planning. Besides IFCN Torsten is a lecturer at University Kiel in the area of dairy economics and has been guiding over 80 PhD and Master students with their thesis.
